

CHARITAS

The **MINIMUM NUNS**, founded by Saint Francis of Paola, give joyfully to God their entire lives whom they chose as their Supreme Love, in a integral **CONTEMPLATIVE** life.

They live their consecration in an atmosphere of **solitude** and evangelical **silence**. Having left behind everything, with full **FREEDOM**,

to arrive at **PURE AND ASSIDUOUS** prayer.

The Minim Nuns embrace the penitential Lenten life in continuous conversion of mind and heart in order to configure themselves with Jesus Crucified who has given his life for all men

Minim life is called to reflect the spirit of **HUMILITY** in the Church and it is expressed in the simplicity of its life.

It is their way of total self-giving in love to God and to all men according to their motto
